North Vista Secondary School

Ministry of Education
Republic of Singapore

Rohan Senthil was admitted to North Vista Secondary School in January 2018 to pursue the Singapore-Cambridge GCE O-Level course. He has successfully completed four years of secondary education.

Rohan has an amiable disposition and gets along very well with his peers. He communicates effectively with peers and teachers alike and shows maturity of thought when articulating his opinions to others. Logical and analytical, he is often the voice of reason in any group that he is in. He is supportive and encouraging to his peers and always willing to share his knowledge. Sensitive to the feelings of others, he chooses his words carefully and puts forth his views amicably.

As a student, Rohan is independent, self-driven, and consistently puts in effort to improve academically. He often takes the initiative to approach his teachers to clarify his doubts and is receptive to their advice. He has also demonstrated the ability to think critically and explore different possibilities and new ideas to overcome obstacles. These attributes make him a strong and positive influence in class. A conscientious and committed learner, Rohan has maintained a good academic standard throughout his four years at North Vista Secondary School. He has demonstrated a strong determination to achieve all his targets. Intellectually curious and eager for opportunities to learn, Rohan also participated in the Singapore Mathematical Olympiad in 2019. Owing to his focus and resilience, he received the Edusave Scholarship Award in 2019 and 2020. He was also the top student in Geography in 2019, Combined Science in 2021, and Exercise and Sports Science in 2020 and 2021. Most notably, for the Mid-Year Examinations in 2021, he was second overall in the cohort.

As a graduating student, Rohan has set clear goals for himself and utilised his June holiday productively by participating in the Youth Cyber Exploration Programme (YCEP) by Cyber Security Agency of Singapore (CSA) where he attended several virtual facilitation workshops. In addition, he also attended the Cyber Youth Singapore Summit to explore and connect with like-minded youths. He has gained much insights from these events and it further strengthened his interest in the field of Cyber Security.

Rohan possesses a natural talent in sports and was a passionate member of the Football Team from 2018 to 2021. A hardworking and determined player, he gave his best during training and competitions. He also displayed true sportsmanship on the field. In the course of the four years in North Vista Secondary School, he has represented the school in numerous Football events such as the National School Games

North Vista Secondary School

Football Championships in 2019 and 2020, and Football Club (FC) Bayern Munich Youth Cup in 2020. In addition to that, he also took part in other sports events such as the Vistarian Road Run, where he obtained the first placing in 2019. In 2019, he also participated in the Yuying Secondary Futsal Competition, where his team emerged as champions.

Rohan demonstrates strong leadership qualities. He was appointed as the Vice-Captain of the Football Team from 2018 to 2021. He proved himself to be an effective leader, carrying out his duties responsibly. He guided and motivated his teammates to always do their best both during training and competitions. He was much respected by his teammates, and could be depended on to offer his unwavering commitment. A role model and inspiration to his team mates, he was able to instill cohesiveness in his team. In affirmation of his excellent leadership, he was awarded the Outstanding Leadership Award in 2021.

Rohan also displays a willingness to cooperate with others and contribute through his own ways by actively participating in Values-in-Action (VIA) projects. In 2018, he took part in the Portraits of NV Project jointly organised by the National Environmental Agency (NEA). Working together with It's Raining Raincoats, he also contributed to the Let's Give Back Project in 2019 and the Youth Day Care Pack Project in 2020. In 2021, he participated in the Garden of HeARTS project, in collaboration with People's Association (PA). An active member in the school's Football team, Rohan also volunteered to pack goodie bags for Hougang residents with his teammates in 2019. Through these experiences, he was able to develop the personal qualities of enterprise and empathy for others.

Rohan's keen sense of enthusiasm and positive attitude, together with his resilience in the face of challenges are valuable traits he possesses that will greatly benefit him in the future. His maturity and drive to succeed will bring him to greater heights. He is indeed an exemplary role model whom other students can emulate and will be a valuable asset to any institution that he joins.
